## EDUCATION

### Dhangadhi Engineering College 2016-2021

Dhangadhi, Kailali

*Bachelor of Computer science and  
technology*

### NAST 2014-2016

Dhangadhi, Kailali

*Higher Secondary Education  
Board*

## SUMMARY

Enthusiastic front-end developer focused on crafting great web experiences. Designing and coding have been my passion since the day I started working with computers but I found myself as Web Developer since 2021.

And Passionate about continuous learning from the seniors while still nurturing junior developers. I am still seeking a desired and challenging position in your company.

## EXPERIENCE

### Web Developer

*Neputertech Pvt. Ltd. (2021 - current)*

- Proficient in developing and managing web applications in any company.
- Overcame the initial complexity of web development through research, self-study, and practice.

### Internship

*Neputertech Pvt. Ltd. (2021/5 - 2021/7)*

- Opportunity to learn from senior designers and self-study.
- An awesome period of skill development and growth
